Dear Pioneer Hills Staff:

I would like to take this opportunity to thank all of you for the wonderful job you did making our recent surprise scramble and dinner for Erny's birthday such a success. Everything turned out great, Erny was surprised and our guests had a wonderful time.

Each of you did an amazing job in helping to plan and implement this party. Thanks to Dan and Rick for putting up with all my calls and requests. You both gave great advice and made sure that the day was well planned out. Phil and Owen were there that day and they were very helpful and friendly with our guests. Alan's menu and presentation were great, many guests complimented the food. The servers also did a great job; they were very attentive to all of our needs. I would especially like to thank Charlene (who worked on her birthday, by the way) and Sid for taking such good care of our group and helping the kids set things up.

The day was great and we all had a fantastic day so thank you! We have been members of Pioneer Hills for several years and the course and clubhouse continue to improve and we know this is because of the great people working there. We truly appreciate your efforts not only on this special occasion, but every other day as well. Thanks again to a great group of people!

Sincerely,
